EJC Year-End Report

The year 2010 saw the Elder Justice Coalition achieve a significant part of its mission when Congress passed the Elder Justice Act and President Obama signed it into law on March 23rd. This culminated a more than seven year legislative effort spearheaded by the work of the Coalition. The new law (P.L. 111-148) authorizes \$777 million over 4 years for the most comprehensive and coordinated federal response to the growing problem of elder abuse, neglect and exploitation.

Since the enactment of the EJA, the Coalition has been advocating for funding for the 13 different programs that were authorized in the new law. This advocacy has focused primarily on Fiscal Year 2011, which began on October 1, 2010 and also FY2012 which begins on October 1, 2011. Meetings and communications to both Congress and the Administration have been held throughout the year. These included meetings with appropriations committee staff and Members: Nancy-Ann Min DeParle, Director of the White House Office of Health Reform; Assistant Secretary for Aging Kathy Greenlee; and, most recently, Robert Gordon, Associate Director at the Office of Management and Budget (OMB.)

As the 111th Congress prepares to adjourn, no funding has been appropriated for the Elder Justice Act. The Coalition's continued focus will be on securing funding for FY2012 and beyond.

EJC salutes the following leaders who will be part of the 112th Congress:

Senator Orrin Hatch (R-Utah)-author of the Elder Justice Act in the Senate
Senator Herb Kohl (D-Wisc)-author of the Patient Safety and Abuse Prevention Act (P.L. 111-148)

Rep. Peter King (R-NY)-author of the Elder Justice Act in the House

Rep. Jan Schakowsky (D-Ill)-co-author of the Elder Justice Act in the House.

Rep. Tammy Baldwin (D-Wisc)-author of the Senior Financial Empowerment Act

In addition, we thank Assistant Secretary for Aging Kathy Greenlee for her distinct leadership on behalf of the elder justice in the Administration.
